Dear Sir:

Information Disclosure Statement Pursuant to 37 C.F.R. §1.56

Transmitted herewith is an Information Disclosure Statement disclosing information which has come to the attention of applicant(s) and/or their agents and is being submitted in compliance with the duty of disclosure set forth in 37 C.F.R. §1.56.

This submission does not represent that a search has been made or that no better art exists and does not constitute an admission that each or all of the listed documents are material or constitute "prior art." If the Examiner applies any of the documents as prior art against any claim in the application and applicant determines that the cited documents do not constitute "prior art" under United States law, applicant reserves the right to present the relevant facts and law regarding the appropriate status of such documents.

Applicant further reserves the right to take appropriate action to establish the patentability of the disclosed invention over the listed documents, should one or more of the documents be applied against the claims of the present application.

In accordance with 37 C.F.R. §1.98, transmitted herewith are:

1. A completed copy of Form PTO/SB/08 "Information Disclosure Statement by Applicant" listing the patents, publications and other information being submitted for consideration; and
2. A legible copy of each patent, publication and other item of information in written form listed on the enclosed Form PTO/SB/08, except for copies of U.S. patents and

JG20 Rec'd PCT/PTO 07 JUL 2005

published U.S. patent applications which are not required for applications filed after
30 June 2003.

Non-English Information

Pursuant to 37 C.F.R. §1.98, following is a concise explanation of the relevance (as it is presently understood by the individual designated in 37 C.F.R. §1.56(c) most knowledgeable about the content of the information), of each listed patent, publication or other information that is not in the English language.

The only listed reference not in the English language is French Patent No. 2 502 669, which is listed herein because of its citation in the International Search Report and Written Opinion of the International Search Authority in respect of this application. However, the Applicant notes that this reference was not cited by the International Preliminary Examination Authority in the International Preliminary Report on Patentability in respect of the claims in this application as amended under Article 34.

Respectfully submitted,
